

Cross-Platform Explorer

Sample PDF document (v0.57.50).

This is a real, valid, multi-page PDF fixture used to verify the PDF preview pane renders correctly and does not crash the app.

Page 1 of 2 - see the next page for the checklist.

Preview checklist

1. HEIC - samples/images/iphone-photo.heic
2. DICOM - samples/medical/ct-scan.dcm
3. RAW - samples/raw/sunset.cr2
4. RAR - samples/archives/sample.rar
5. PDF - this file

If this text is readable, the PDF viewer works.
